

World championships Japan 2022

Criteria to be considered for Selection in the SKIA National Team Japan 2022.

- Squad will be selected at the nationals 2020.
- Athletes who have competed at the last world championships are automatically in the squad. (That however does not mean that they will be selected in the next team, they must complete the same criteria as below).
- Athletes wanting selection for the Squad,
 - Must have in the preceding 2 years competed in at least 3 competitions each year, and placed in the top three
 - (Records of this must be sent to the Head Coach at the following email address SKIA.Squad2022@gmail.com)
 - This must be consistent leading up to selection for the National team 1 year out from the World cup.
- There will be limited places on the team, so every individual will be vying for those places. (Seniors have to be competing in the top 2 consistently, Masters, everyone else top 3)
- We will be looking at the numbers of Juniors, Colts, and Masters that we can take, but again you will be vying for your spot.
- All athletes must keep records of their competitions and results as they will be audited.
- We will be looking at traveling to state competitions when we can, to look at athletes trying out for the squad.
- Expressions of interest stating:
 - Full name
 - Current grade
 - Date of Birth
 - Interested in Kata or Kumite
 - Previous international experience and results at international level.
 - Categories from SKIF World Championship are available at the following link: <https://skif2019.com/categories/>
 - You need to advise which event you wish to be considered for, taking into account age you will be in 2022 regardless of the actual “date” of your birthday.
 - Name of your Dojo Instructor.
- Any questions regarding Squad selection are to be emailed to SKIA.Squad2022@gmail.com
- Tournaments dates should be available at the following association links: [SKIA](#), [NAS](#), [AMAC](#), [AKF](#)
